

NOW OFFERS

DIRECT DEPOSIT FOR GRAIN PAYMENTS

We are pleased to offer you the option of direct deposit for your grain settlements. Direct deposit provides a number of benefits including:

- Settlement money in your account without a trip to the bank to manually deposit
- Faster access to your funds
- Postal delays and lost cheques in the mail are eliminated
- A trip to our office to pick up cheques can be saved

We can now confirm your deposit in a couple of different ways:

1. Email
2. Regular mail

In either case you will receive all of the settlement information in the same format as a printed settlement.

If you would like more information, please call our grain department at 519-821-1018

An enrolment form is attached if you are interested in direct deposits. Please complete the form and forward to our office.

For those who wish to continue to receive their cheques by mail, we are happy to do so.
